is submitted by the manufacturer to a factory production control and that the notified body No. 0765 - Fraunhofer-Institut für Holzforschung, Wilhelm-Klauditz-Institut WKI - performed the continuous surveillance, assessment and approval of the factory production control in first half-year 2022.

This attestation confirms that all provisions concerning the attestation of factory production control described in Annex ZA of the standard

**EN 13986:2004+A1:2015**

were applied.

This attestation is part of the evaluation report and confirms the CE certificate with No. 0765-CPR-1208 in System 2+ as long as the conditions laid down in the harmonised technical specification, the manufacturing conditions in the factory or the factory production control itself are not modified significantly.
